INVESTMENT PROJECTS OF RUSSIA

The biggest Russian informational portal about investment projects

WWW.INVESTPROJECTS.INFO
The portal of investment projects in Russia is an information resource developed by PrCS.

The company is engaged in investment design since 2006. PrCS has developed more than 300 investment projects in the sphere of industrial and civil construction. More than 50 of projects were launched and implemented together with the customers.

PrCS is a member of American Chamber of Commerce in Russia. PrCS is a partner of a leading Special Economics Zones. Managing director of PrCS is an expert of Ministry of Industry and Trade (evaluation of state-owned companies’ innovative development programs). PrCS is certified manager of state corporation ‘Bank of Development and Foreign Economic Affairs’ in St.Petersburg.
Information portal is intended for effective work in sales for:

- General contractors and subcontractors
- Designers, architectural and engineering bureaus
- Suppliers of construction materials
- Suppliers of the equipment
- Suppliers of construction equipment
- Transport and logistic companies
- B2B companies
POSSIBILITIES OF THE PORTAL

We cover 80% investment activity in Russia industrial and civil construction

- We monitor each project on **7 stages** of implementation
- Convenient search on **any** project parameters
- **Export of** projects in Word and Excel formats
- We update available projects and add new ones **everyday**
- We **control** the quality on each project stage and provide **verified contacts**
- We **notify** you about tenders for general project designer and general contractor
- We provide **contacts** of project participants (investor, general designer, general contractor, other)

INFORMATION SOURCES

Non-public sources

- More than 2000 investors, registered on the portal;
- Paid printed/electronic media;
- Paid databases;
- Paid news feeds of information agencies;
- Contract and project companies-participants of the portal;
- PrCS, as the expert in the field of development of investment projects and investors support

Public sources

- More than 10 000 media, electronic / printing; federal / regional / local;
- Administrations (development corporations, agencies) of 85 regions;
- Press releases/websites of investors;
- Industrial parks and SEZ;
- Transcripts of TV channels and radio stations;
- State purchases (94-FL, 223-FL)
GEOGRAPHY OF THE PROJECTS

The number of projects in federal districts in 2018

- Central FD: 3406
- Volga FD: 2062
- Northwest FD: 1865
- Siberia FD: 1214
- South FD: 1158
- Ural FD: 956
- Far East FD: 779
- North Caucasus FD: 546
INDUSTRIES OF THE PROJECTS

Over 11 000 projects in more than 20 industries

Industrial construction
(6982)

<tr>
<td>Full description of the project</td>
<td>The mining company Kada-Neftegaz plans to build a plant in the Sayansk city of the Irkutsk Region to produce methyl alcohol with a capacity of up to 1 million tons per year and cost 37 billion rubles. The approximate start date for the implementation of the investment project is 2020. The co-investor of the project may be the Chinese corporation TECA Group, with which Kada-Neftegaz signed a memorandum of cooperation in 2016. In addition, in the implementation of the project, the design of the enterprise can participate Japanese Mitsubishi Electric Corporation.</td>
